

eFORESEE

An Introduction to The Goals and Objectives Of the 'eForesee' Project

eFORESEE – An Overview (1)

The project will address:

- **Foresight for small economies and regions,**
- **The specific role of foresight for Accession Countries,**
- **The integration of Accession Countries in the ERA,**
- **Linking RTD Policy with Policy in other domains (Agriculture).**

The project will contribute to research on foresight by elaborating:

- **A Knowledge Management Approach to Foresight,**
- **A ‘Foresight Embedding’ Strategy,**
- **A Model for ‘Continuous Foresight’,**
- **A ‘Foresight Evaluation’ Framework.**

From an operational point of view we will:

- **Implement six foresight pilot projects,**
- **Organise and host three International Conferences on Foresight,**
- **Maintain a project website and mailing lists.**
